Vehicle Description

Very rare and unusual Morgan Four Seater which has been in long-term storage for several years and has only covered 3000 miles from new!!

Just fully re-commissioned by Mole Valley and now ready for a new adventure.

The Morgan four-seater is no longer made by Morgan so these models are now both very rare and desirable as they offer classic Morgan motoring combined with luggage and passenger carrying practicality.

This particular model is extremely attractive and in truly superb condition with unmarked full black leather interior, blue mohair hood and stainless wire wheels.
