- Electric Windows
- Part Exchange Welcome
- Service History

Vehicle Description

An astonishing example of the exceedingly popular Peugeot 107, finished in an eye catching metallic blue. This is the Urban model with all the necessities such as CD player with AUX input, electric windows, central locking and power steering. Clearly a looked after car in excellent condition for its age, drives really well and has a part service history. Powered by a highly economical 1.0 litre engine with rarely seen automatic gearbox, returning a big potential 68 miles per gallon, low insurance group and only £20 a year road tax. A hugely sought after and hard to find little 5 door automatic.

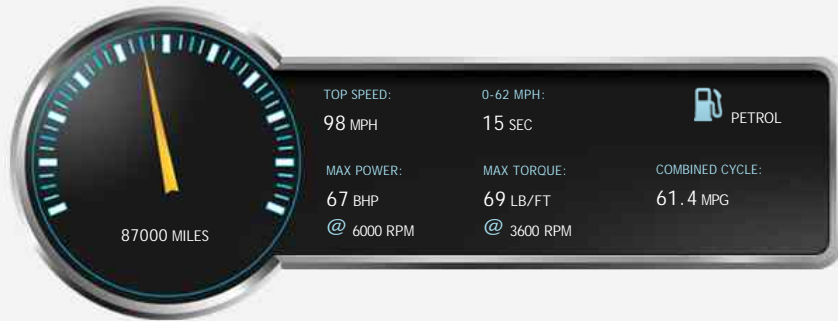

Please note that this car has just had £1000 spent on the clutch and gearbox!
