Vehicle Features

Not Specified

Vehicle Description

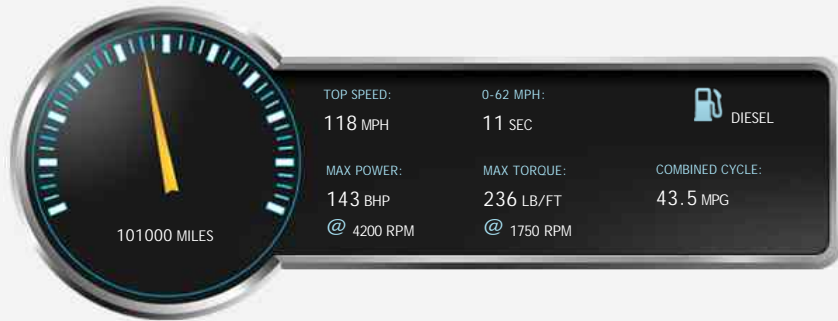

An exceptional example of the awesome Audi Q5, finished in a rarely seen colour. Has good specification including air conditioning, alloy wheels, Bluetooth connectivity, CD player with AUX input, electric windows, power steering, remote central locking and traction control. In remarkable condition inside and out, drives incredibly well and all this is mirrored by a full service history. Powered by the outstanding 2.0 litre TDI engine with 6 speed gearbox, returning surprisingly good economy for a car its size and a luxurious driving experience. A well maintained, nicely presented and very comfortable 4x4 family car.
