Vehicle Description

One of two Holland & Holland Range Rovers we have for sale. This one is in superbly original condition, having been enthusiast owned for much of it's life. It has covered 101k miles and has a comprehensively stamped service book, plus a recent service by us. We also recently replaced the headlining, blend motors in the dashboard and re-gassed the air conditioning which now blows ice cold (and no caution signs on the HEVAC display!). All systems operate correctly including the air suspension, all four air springs for which have been replaced by upgraded Arnott Generation 2 springs. It comes with two keys, original book pack and rug set, as well as picnic table legs for the boot floor (unique to the Holland & Holland). It has two new front tyres, MOT to April 2020 with no advisories. The condition all round is superb. Would suit an enthusiast or collector and is a superb investment for sure.

Viewing by appointment only please, on 01242 898 986.
