Vehicle Description

Here we have our stunning 2017 Ultima GTR JPS. Finished in black gel coat matched with bespoke John Player Special Livery design. If you're looking to turn heads, this is it! One owner, this is your rare chance to own.

Here at SP we designed the livery onsite and applied, this is bespoke made and truly a one off which we took great care and detail. A race car should look like a race car and this certainly ticks that box!

Owning an Ultima GTR is like nothing else out there. We are fortunate to have driven some special cars in our time but nothing compares to this. Raw, heavy clutch, brute power, is the best way to describe this car, not for the faint hearted this car will bite hard in the wrong hands!
