Vehicle Description

R&W are delighted to offer this very rare Mercedes Benz S600L BRABUS fitted with a factory AMG body styling kit and Brabus tuning pack. This is a spectacular car and has been loved by its only 4 former keepers from new, the last owner whom was a Russian diplomat that owned it for 6 years. This vehicle has been maintained regardless of cost and enjoys a full service record to date, the cost of this car new was a whopping £125,000+ when new. The performance is great with approximately 600BHP, Brabus engine management tuning, huge AMG brake discs and pads, heated/cooling massage front seats, heated and electric rear seats, burr walnut rear picnic tables, read dvd entertainment, Brabus branding throughout.
