Vehicle Description

R&W are offering this beautiful and rare Ferrari 575m 6 speed manual left hand drive presented in the very sought after Rosso Red with Nero hide and Bordeaux carpets. This is a fantastic example, the bodywork is unmarked, alloy wheels are scuff free and the tyres are all in excellent condition. This beauty was imported from Japan in 2017 and has been part of a private collection for most of its life, the service history is up to date and complete, it also benefits from just having a full overhaul with new brake discs and pads fitted, new bushes and new suspension mounts, and a major service, this is by far one of the better examples on sale today. The specification is awesome with the very sought after Fiorano handling package, full electric seats (very rare), red brake calipers, leather roof lining and a 6 speed manual gearbox.
