### Vehicle Features

Not Specified

### Vehicle Description

Here we the stunning Paceman JCW Finished in Starlight Blue Metallic! This is Mini's Face-lifted version of the Flagship Paceman JCW increasing the Bhp to 215. There are tweaks to the internals, and smoother aerodynamics on the outside meaning the claimed economy now nudges towards 40mpg, too. In its higher state of tune, the 1.6-litre turbo engine actually sounds a bit better and revs more smoothly than it does in the Cooper S. There is a decent amount of grip, and you can throw it into corners and the Paceman will cling on gamely. The steering is fairly heavy and quick to respond, even in 'Normal' mode. Select 'Sport' (which also sharpens up the throttle response and induces a popping burble from the exhausts). Model has a long list of optional extras, they are: CHILI Pack -- 19" Cross Spoke Crusher Alloys -- Media Pack -- Harmon Kardon Speakers -- Leather Seats (Gravity) -- Metallic Paint -- Heated Front Seats -- Darkened Rear Glass -- Black Headlight Reflectors. The car has Full Service History (3 Mini Services, 1 By Us) Last Serviced at 45,000 Miles. MOT Expires 07/06/2020 with no advisories. The car has 2 keys.
