Vehicle Description

First registered January 1965 (C Reg) and finished in Light Blue/Grey, this charming Morris Traveller boasts the usual 1,098cc A-series engine with manual transmission and a sound timber frame. The interior also is in good clean order.

It has recently had a reconditioned gearbox fitted that necessitated the engine removal costing some £1,100 in July 2018 by Ross MOT Centre along with an antifreeze change only 2,000 miles ago.

There is also the V5C, a thick tome of documents to accompany this Traveller these comprise: a Workshop Manual, Owners Manual. The MOT history shows regular use between tests, but only circa 6,000 miles have been covered in the last 12 years.

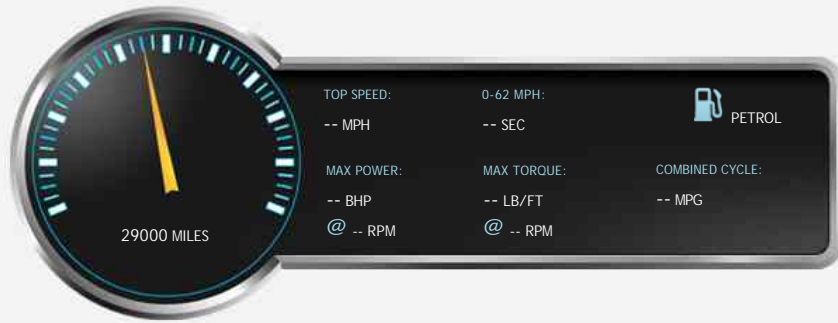

Arun Ltd, Codmore Hill Garage, Stane Street, Pulborough, West Sussex, RH20 1BQ
