Vehicle Description

Here we have a Stunning, One Of A Kind M140i Finished In Black Sapphire Metallic With Full Black Dekota Leather Interior. The BMW M140i is the closest we'll get to a full M Division 1-series but that doesn't mean that it comes to the hot hatch party half-cocked. Most small, fast cars come with cruise-missile-spec 2.0-litre turbocharged fours, but the M140i brings a nuke to the party: a 3.0-litre turbocharged straight-six is shoehorned under the long bonnet, producing 335bhp and a muscular 368lb ft of torque.

This vehicle has had some exterior styling modifications that really set it apart from its competition, these include: Maxton Design Splitter Kit, Motech Carbon Fiber Rear Diffuser, Carbon Spoiler, Carbon Wrap Canards, H/R Lowering Springs, 18" BMW 666M Wheels, Carbon Rear Exhaust Tips, Satin Black Sun Strip and Front Tinted Lights. It also comes with a range of features including BMW Navigation System, Bluetooth Hands Free with USB Audio Interface, DAB Digital Radio, Interior Comfort Package, M Sport Braking System, Multifunction Controls for Steering Wheel, Rain Sensor with Automatic Headlight Activation, Quick Shift Gearshift Paddles,
