### Vehicle Description

First registered August 1994 (M Reg) by Loxleys Jaguar, this stunning XJS 4.0 Litre Coupe is finished in probably the best combination of Flamenco Red with Barley leather. With just 49,000 miles recorded, it comes with 12 service stamps and invoicing for work while in the care of the latest owner who has enjoyed tenureship since early 2003. MOT history dating back to 2007 details the incredibly low usage...

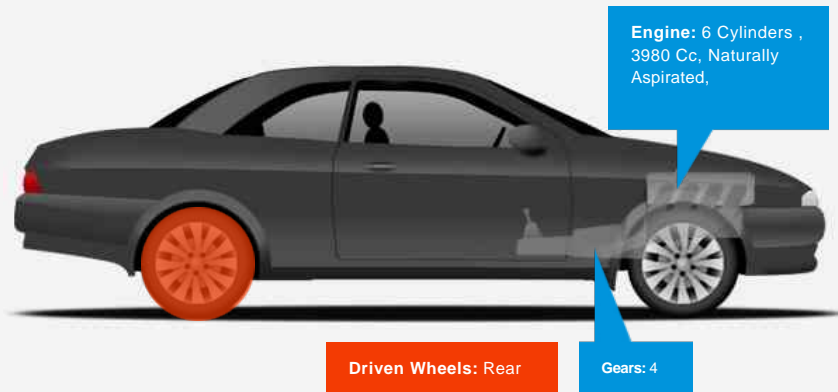

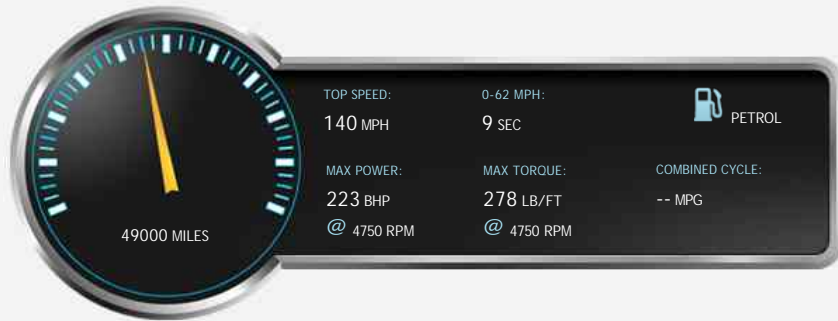

The Jaguar XJS was produced by Jaguar from 1975 to 1996. Over 115,000 cars were produced during a 21-year production life. Although it never had quite the same sporting image as the E-Type, the XJS was a competent grand touring car, and more aerodynamic than the E-Type. By 1989 more XJS variants had been produced and sold than E-Types.
