### Vehicle Features

Not Specified

### Vehicle Description

*First Registered in April 1978 this fantastic example of a Bay Window T2 Volkswagen Camper boasts features amongst the best with fully fitted kitchen (supplied by Van Wurks) with Gas/Electric fridge, Gas cooker, toilet and 240v hook up.*

*The Rock and Roll Bed with Pop Top allows for easy use and with the extra (and rare!) bunk beds - a quirky little VW which has room for the family making this van a 4 berth sleeper (or more if you add the awning). A carbon monoxide alarm fitted and a recent full replacement of the engine to a 1750cc makes it reliable too with little road use, Just 300 miles to be approximate.*

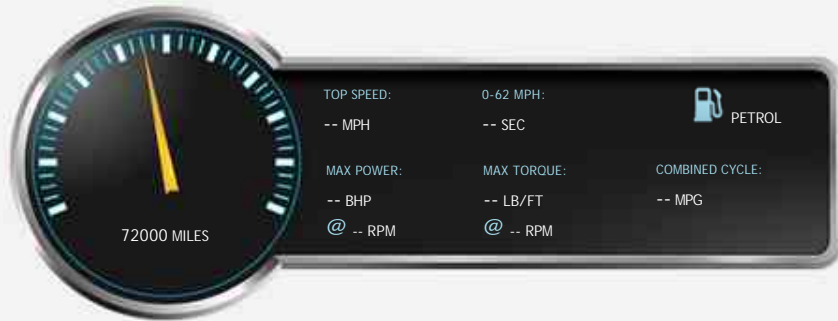

*The van drives impeccably well, it's fun, functional and charming.*
