### Vehicle Description

Here we have a really fantastic example of these brilliant cars. Just ONE previous owner, the current one has kept the car since 2011. It has FULL SERVICE HISTORY and a nice long MOT until November. It starts on the button and drives exactly like the thoroughbred that it is. Make no mistake, this (almost) one owner car is a beauty, it looks lovely, it's in great condition inside and out and, it is mechanically sound too. I honestly believe you would be very hard pushed to find a better one. Loads of car for hardly any money !!

CALL NOW with any questions and to book your viewing and test drive.

Please note, the private plate shown in the pictures is NOT included and doesn't come with the car.
