Vehicle Description

Here we have a superb example of these fantastic cars.

The Jaguar XF, 3.0 V6 Premium Luxury - it looks 'Drop Dead' and it performs just like you have long since come to expect a Jaguar to perform - powerful, fast, quiet and smooth - an effortless driving experience all the time, every time.

These cars have a certain 'kerb appeal' grace, class and style like no other marque seem to be able to replicate, there is something 'magical' about a Jaguar and this one is no exception to that rule.

It has great service history (and will be serviced again by us prior to collection by you), it also has a nice long MOT, until 23rd October, with NO ADVISORIES. It has most of the 'toys' we all take for granted now, power and electric everything plus NAV and Bluetooth etc. etc.

It starts on the button and drives beautifully too.

Make no mistake, this is a really well cared for car that would have been around £40,000 when new so, a whole lot of car, for not
