Vehicle Description

ONE PREVIOUS OWNER, Fully loaded, PETROL V6 XF, as rare as the proverbial 'Rocking Horse Remains' !! FULL SERVICE HISTORY plus has just been through our own rigorous health check & service schedule. MOT until 15/06/20. but we will Service and MOT the car prior to collection by you. Rare petrol version which, a lot of people would argue, is better than the diesel versions. Either way, this is a STUNNING example. Looks AMAZING in this deep, sapphire blue metallic which absolutely gleams in the sunshine. Fully loaded of course and the drive is just superb. This car really does have it all, It's a JAGUAR so has looks, class, style and 'kerb appeal' second to none. It has power, it is as smooth as silk, gear changes are unnoticeable. It glides, effortlessly along and is just an absolute joy to look at, to drive or be driven in. If there is anything else you could possibly want from a car, please call me and let me know because I can't think of anything else!!, CALL NOW with any questions and to book your viewing and test drive - you will be over the moon with this one
