Vehicle Description

A Real head turner. Absolutely STUNNING in this beautiful grey metallic bodywork, 20" alloys and full black leather interior. Fully Loaded with NAV, Bluetooth, Heated Front & Rear Screens, Heated Seats, Heated Powerfold Mirrors etc. etc. the list is simply too long.

It starts on the button and drives beautifully too. Being the V6 S, with 275bhp, those extra 35 horses really deliver the power, silently, and effortlessly, giving you the legendary smooth ride quality that only Jaguar can.

Couple all of the above with FULL HISTORY and nice long MOT (until 20th October) surely make this XF, the one to have.
