### Vehicle Features

Not Specified

### Vehicle Description

We are still open and can offer nationwide delivery on all our cars. Here we have a stunning BMW 120d M Sport Auto Finished In Esotril Blue Metallic. Ten years after the launch of the original BMW 1 Series, this second-generation car has received a mid-life facelift. It has slimmer headlights and reworked bumpers, distinctive L-shaped LED taillights, interior upgrades, plus enhanced equipment levels. Most significant though, is the fitment of BMW's current generation of more efficient engines; most of which offer more power, too. This is a 2.0-litre four-cylinder diesel with 187bhp. The new auto 'box uses GPS to select the correct gear for any given corner and this worked well on our test route's twisty roads. However, should you wish, you can operate it manually with the steering wheel mounted paddle - in either mode the shifts are fast and smooth. This car has a number of extras such as: Sport Auto Transmission - Dakota Leather Seats -- Park Distance Control Front & Rear -- Metallic Paint -- Front Heated Seats -- Sun Protection Glass - Auto Dimming Rear View Mirror -- Cruise Control -- Gloss Black 18" Alloy Wheels -- Gloss Black Front Grills. The car Has Full BMW Service History (3 Bmw Services) Last Serviced at 53k miles on the 04/01/2020. The MOT Expires on the 04/01/2021. The
