Vehicle Description

THE BIKE SPECIALISTS,
TRADING STANDARDS AWARD WINNERS.

We are proud to offer our absolutely immaculate 1974 Kawasaki Z1A. The Z1 was often described as the first true sports bike and one of the most iconic Japanese bikes of all time.

Our example is in superb condition having covered just 1 mile since being restored with no expense spared. The bike originated in Germany and was imported to the UK before being recently restored. The bikes panels and tank are the original ones fitted and have benefited from being repainted in the iconic Bronze and Orange scheme. The bike has had numerous new parts fitted including the Z power exhausts,
