Vehicle Description

Although we are unable to offer personal viewings at this time, we are still catering for our customers. We are able to provide further photography, full walkaround videos and a free delivery service within a 100-mile radius. Here we have a Mega Spec Volvo XC60 D5 R Design Nav Finished in Ice White Gloss. Combining off-road toughness and practicality with coupe styling and driving characteristics doesn't sound like an obvious mix, but that's exactly what the Volvo XC60 aims to do. It's certainly very stylish with a less boxy and bulky look than the larger XC90, but it's designed to also be spacious and family-friendly. On the road it doesn't handle like an off-roader, with good body control, while the ride quality is excellent, making it a superb long distance machine. This is the R-Design model for those who want to make their XC60 a little more athletic in appearance and in driving manners. This car also has a Massive List of Optional Extras, They are: Geartronic Transmission -- Panoramic Power Glass Tilt & Slide Sunroof -- Lane Departure Warning & Driver Alert -- Front & Rear Park Assist -- Power Driver & Passenger Seat with Driver Memory -- Polestar Optimised Engine Upgrade -- High Performance Sound System -- Power Tailgate -- Dark Tinted Windows -- DAB Radio -- Heated Front
