Vehicle Description

Take a look at this absolutely superb Jaguar R Sport. Just ONE OWNER from new, LOW MILES at just 35,300, FULL HISTORY, MOT until 19th December AND way under half the price when it was new!!

Take a close look at this one, it is simply stunning, soooo stylish inside and out, the Fuji White bodywork coupled with the gloss black, 18" alloys just take your breath away. The full black leather interior, with white stitching has exactly the same effect.

It is ultra modern yet still 100% Jaguar, how do they do that??

It is powered by the incredible 2.0 ingenium engine, which generates 180bhp, couple that with the EIGHT speed gearbox and you'll be whizzing from 0-60mph in about 7.5 seconds, it'll keep going up to about 140mph AND can still deliver (figures say) 54.3mpg around town, 74.3 on a run and a staggering combined mpg of 65.7 pretty impressive, don't you agree??

Look, the bottom line is, this just has to be one of the most stylish sports saloon cars on the road today, it looks amazing, it drives beautifully, it's powerful and fast, it's ultra reliable and ultra economic too, it really does deliver on all fronts, if there is anything
