Vehicle Description

What can I say?? Just a STUNNER of a car. Ultimate Black Metallic Bodywork that gleams in the sunlight. 19" Helix Alloys and Full Black, with White Stitched, Leather Interior, BREATHTAKINGLY GORGEOUS!!

De-Chromed with black window surrounds and black grille make this car look like a 100% stylish menace, I cannot imagine how you could get more 'Street Cred' from a beautiful sports saloon, but then again, it is a Jaguar after all!!!

The 2.0ltr engine generates 180bhp, couple that with the EIGHT speed gearbox and you really do have a match made in heaven, power, speed, comfort AND incredible economy, figures show 54.3mpg around town, 74.3 on a run and a staggering 65.7 combined, just amazing don't you agree? AND , being the ingenium engine, whilst generating the power, speed, comfort and returning mind blowing economy, it is such an efficient engine, it only produces 114g/km of CO2 which, in English, means the Road Fund License is a mere £30 per year!!!

Is there anything more you could possibly want from an amazing sports saloon car???
