### Vehicle Description

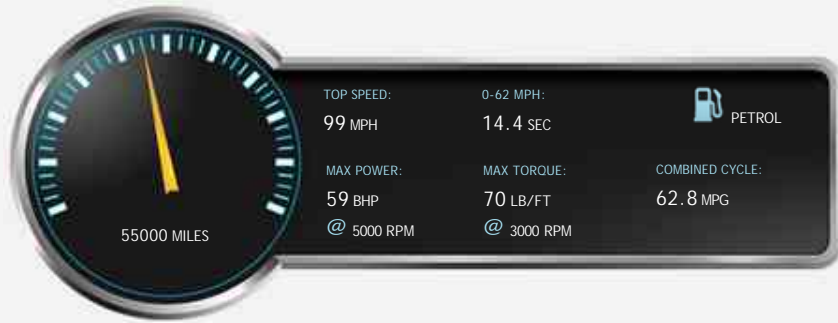

A real nice and tidy example of the massively sought after Volkswagen Up, finished in a gorgeous shade of light blue. This is the basic Take Up model with CD player with AUX input and power steering. Just two careful owners from new, visually a much loved car in remarkable condition inside and out with only 55,000 miles on the clock. Powered by a super economical 1.0 litre petrol engine, resulting in a high potential MPG, low insurance group and only £20 a year road tax. A stunning looking and very desirable little 5 door hatch.
