### Vehicle Description

*Please note this is not owned by us, but is one of our MD's own friends car who has owned this for several years hence low price. They are reluctantly selling this to fund a business start up project.*

*Also note, the buyer will be purchasing this superb car direct from the current owner and not through us, but for any further information or to arrange a viewing as it isn't here on site, please feel free to contact us anytime. There are some age related marks and the these have tried to be shown in the photos, but it is nothing a smart repair company couldn't sort out very economically.*
