### Vehicle Description

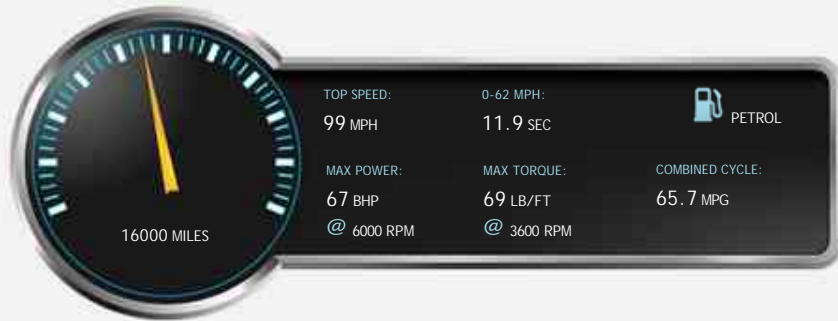

A truly remarkable example of the massively popular Citroen C1, finished in a gorgeous colour. This is the top of the range Platinum model with big spec for a small car including air conditioning, alloy wheels, Bluetooth connectivity, CD player with AUX & USB input, electric windows, power steering and remote central locking. Clearly a much loved car by its two careful owners, in nearly new condition all round, drives incredibly well and all of this is reflected by an ultra low 16,000 genuine miles on the clock with a full service history. Powered by a hugely economical 1.0 litre petrol engine, achieving a superb potential MPG, one of the lowest insurance groups and an unbelievable £0 ROAD TAX! An extremely well presented and always sought after little 5 door hatch.
