### Vehicle Description

*How I hear you ask, did Mole Valley acquire such an interesting vehicle. Well, one of my more eccentric customers was holidaying in the States when after a particularly diverse afternoon at the local tavern he ended up as the proud owner!!*

*So, the car was shipped to the UK where it underwent the full rigmarole in registering it for the UK. All the import Tax has been paid ( with the paperwork) and the car is now fully ready for the next owner.*

*The car is outstanding in every way with exacting attention to detail.*

*The car comes with a substantial build file with heaps of bills and paraphernalia.*

*Please feel free to either call, or pop in to see this head turner.*
