This fabulous Gunmetal Grey Recaro Edition GT-R is now available to own. Previously supplied by AT Performance in July 2017 and used as an occasional car, this lovely example is now back in our care. The already blistering GT-R performance has been enhanced by a Stage 1 Litchfield package with Litchfield Y-Pipe, carried out in May 2016 at 31,034 miles with invoice. The braking system has also been upgraded to Alcon units all round and the GTR rests on a set of Michelin Pilot Super Sport tyres.
