Vehicle Description

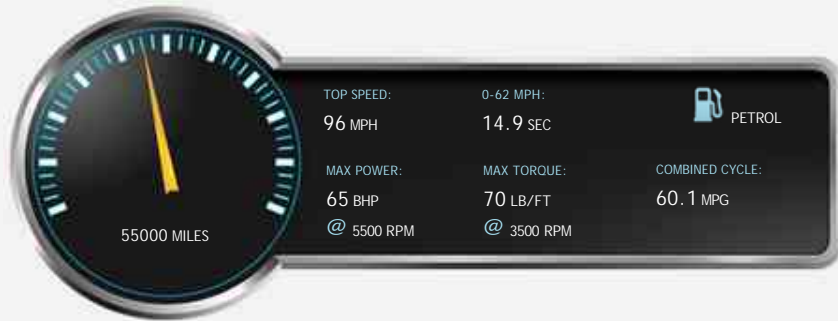

A real nice and tidy example of the increasingly popular Hyundai i10, finished in grey. This is the SE model with good specification including air conditioning, alloy wheels, CD player with AUX & USB input, cruise control, electric windows, power steering, rear parking sensors, remote central locking and traction control. Just one loving lady owner from new, in outstanding condition all round, drives really well and is backed up by a comprehensive service history. Powered by a hugely economical 1.0 litre petrol engine, returning a high potential MPG, reasonable insurance group and only £20 a year road tax. A modern looking and highly desirable small 5 door hatch.
