#### Vehicle Description

*This is the ultimate collector with only 46 of these bikes been built world wide and only 4 ever coming to the UK.*

*The project was commissioned by YART and supported by Yamaha Motor Europe and Petronas Yamaha Sepang Racing Team which is the MotoGP squad. This limited edition replica is based on the Yamaha MotoGP bike and features a bunch of performance upgrades. Of course, it's designed only for track use.*

*To begin with, it features a Genuine Yamaha Technology for Racing (GYTR) carbon fairing kit and MotoGP winglets. Hard to believe we could ever see MotoGP winglets on an R1, but this limited edition replica has them and moreover, the bike is covered with Petronas Yamaha SRT livery, which is supplied by the same company that paint the team's MotoGP race machines.*
